Wildfire Prevention Update

Wildfire prevention is a hot topic in California and a very real and pressing issue for local residents. In 2016 the Soberanes Fire came very close to home for many people, and in the wake of both...

Steelhead Populations and Rescues Update in the Carmel...

This year 129 steelhead trout made it back from the ocean into the River and 126 made it over the Los Padres Dam. This is a dramatic increase over 2018 and a good sign for both the species and the...

WATERSHED EDUCATION CONTINUES TO FLOURISH

The CRWC watershed education program takes a group of students from Lincoln Elementary on a field trip to Palo Corona Regional Park in Carmel Valley. The education program, which teaches about watershed wildlife and ecology as well as conservation, is currently expanding to reach more underserved schools in our region.

**Mark your Calendar for the third annual California Wildlife Day!
Saturday March 21, 10AM - 3PM Palo Corona Regional Park**

- Free and open to the public --
- Presentations by wildlife advocates and local speakers --
- Student art competition and exhibit --
- Native animals --
- Local vendors, food and music --
